New home going in today!  
Congratulations to Tom and Lilia.

Just crazy busy at the Marina. Our little cozy marina has been found out. We are full and have a waiting list for slips! We are getting estimates to repair the damaged finger piers and to install floating docks for planning purposes.

Great job Cathy Cartier and Steve Enneper.

Amy Parker (Unit 119) turns 102 on September 25th!  
The challenge is on, can she get 102 birthday cards?  
If you are in the park, come and help us celebrate in the clubhouse  
Sunday the 26th at 5:00 pm.

Covid has hit close to home here in Twin Shores with loved ones losing their battle.  
Please keep everyone in your thoughts and well wishes.
